“ R.I.P. Walter Johnson. I remember meeting you in 3rd grade when I moved from SS to NS of Longview, TX. We shared the same birthdays and would say; we're twins, lol. We were so looking forward to being together in May 2020 for our 50th Class Reunion; but God thought best. I see so many other people got to experience that special personality and joy that was always shown to me and others that will regret your passing. WOW what a fantastic legacy you have in your children and grandchildren. May God grant them comfort and peace by filling the void in their hearts with all those precious and loving memories, is my prayer. So long old childhood friend; see you around. Tell Louis T my sister and his classmate, Cora said hello.
