“ Wanda was a beautiful person we became best cousins in 1995 when we went on a cruise together, she visited me several times here in California, I recently visited her in June and she made a famous green for me and family so glad I was able to see her. Wanda loved all her family and would say it all the time she will truly be missed by me and my son who she also became close to and gave him several of her delicious recipes. I will miss her phone call where we would talk for hours, I loved her personally. RIP cuz you were kind to everyone. Praying for the family love Dorothy William's and family
