“ Warren and I met and connected at council meetings. We became good friends and though he could stretch the truth now and again(and we joked about it lots) he was a steadfast fighter for the things he believed in and for that I tip my hat to Bro. Rodgers. RIP Square.

Warren and I met at city council, we build a brotherly love relationship, he was passionate, deliberate and a great advocate for serving and recognizing the warriors of Pomtiac for their constant fight for real justice. He has a place in Pomtiac history for serving those and others who seemed to be forgotten in historical perspectives, I will always remember him as a warrior who never stop challenging for the UNDERSERVED. Warren rest in peace"you deserve it".
