“ *Wayne, my “honorary big brother,” I learned today that God has called you home. I will miss you and will always treasure the laughs and memories that we’ve shared together. You and my brother Alex were the best of friends- and like any good friend, when God called him home, you were there for me and our mother, checking in on us. Thank you. You will always be in our hearts. Sending my love and prayers to the Wilson family. May God grant you peace and comfort.*
