*Love & miss You Brother! From those first days we met in High School, singing together and at our last conversations, You were and always will be the constant upright, gentle, quiet voice and Spirit of comfort, love, wisdom and compassion. It never was anything but a Joy to be in your presence!! I would say Earthly, Rest in Peace...but My Spirit says You are already at work, in GODs Heavenly home.*

“ I have very fond memories of Wendell. He has been my friend for over 30 plus years. I was even the organist for his wedding with Margy. My sincerest condolences to her and his entire family, especially his Mother, brothers and sons. Wendell was a good friend to many people and his friends are all hurting with his loss. I praise God that I got to know him and I know that he is in a better place because he loved the Lord so much.

*I knew Wendell growing up in our church in D.C. His mother is such a lovely spirit and a dear friend of mine. My prayers and love are with the family. The Bible tells us to be absent from the body is to be in God's presence and in His presence is fullness of joy. He is now with The Lord. Bernard Mavritte, Tabernacle Baptist Chrch*
