“ *I worked part time at mattresses and Beyond with West! He was such a kind soul and thoughtful, hardworking man! His laugh made me smile. I loved how he was always happy to see me and told me how much he enjoyed working with me and I with him! That man worked so hard and really was the most upbeat dependable person at the store! Our customers loved him and he always gave everything he had every day! He told me he had a big breakfast everyday and wouldn't snack except for nuts, so I would make sure to buy him nuts when we worked together. I know it's a simple memory but it made him happy! He spoke of his family and how much he loved them daily! He was a blessing to all who knew him and I will miss him so much! The store won't be the same without him. Our lives were better with West in it! ❤️❤️❤️*

“ *What fond memories I have of "Pappy ". Like how I use to bump his and cousin Poochie hair. I will not ever forget the hospitality he showed to the Green family, when we came to my brothers (Herbert Leonard Green) funeral.*

West was like a uncle to me and my daughter. Although he was my Aunt Regina's boy friend. I will miss seeing them together. He was a great man who will always be remembered. Our family loved him like family. Rest for now and may God bless you and save your soul. I will miss us sharing chocolate covered cherries at Christmas time. Love you Terri and Alexis and the Holloway family.
