I have to laugh to myself when I think of brother willie, and min. barb, the first time I met floyd I went there with barb, the 2 of them started preaching to me..and I had to laugh 1 would start the sentence and the 2nd would end the sentence..and then they both would laugh at each other. I remember barb saying " willie you always do that to me, then Willie would say NOW barb, you know its you that always does that. Brother floyd will always be in our hearts. Keeping you all lifted in prayer. God bless Sheryl
