“ Dear Family, we are so sorry for your most recent loss. I used to hear people say that God had to have flowers for his garden too. If that's the case, then he really picked a beautiful flower. We pray that your family find peace at this most sowerful time and that God will continue to bless you all. It is always difficult to find comforting words when you lose a loved one, but rest assured that she is now in a good place where there is no more pain, and whenever the sun shines,that she is looking down at her family and smiling at you. Thank you Jesus, thank you. If you ever need someone to talk to you can call us and we will be there.
