“ *I first met Will Jones some 17 years ago when I turned my life over to the Lord. Will helped me to get back on my feet. I remember the stories that he shared with me and my children about the times he had in Louisiana.*

He taught me a few things on how to make small repairs around the house. Will was a very caring man. He will be truly missed.

We share comfort in knowing Will is no longer suffering. We send thoughts of sympathy and support to you as you begin your journey without Will.
