“ Thank you for always being there thank you for always listening. Thank you for the long conversations the late-night conversations your shoulder to cry on and all the laughing that we've done together. Thank you for accepting me as a daughter when we first met in 1990. Thank you for keeping our boys while I went to college and Keevin was at work. Thank you for being who God made you to be. I love you and I will miss you greatly.. Rest in paradise and give your son a big hug for us tell him we miss him too. Take your rest, Mom!!!
