“ My thoughts and prayers go out to the family of Seay Moss. Seems just like yesterday ,we were in the 2nd, 3rd and 4th grade outside playing football all day long in front of Bagley School with Seay Moss leading the pack. May God continue to bless your family you and keep you for all eternity.

“ *Within our lives we are blessed to be a part of a Family. Often times that Family may be with people who are blood related, but the love and bond there is just as strong or stronger than if they were blood related. Willie (Bird) is loved by me as a brother, with all the strength that a heart can muster. He will be missed dearly by myself and my wife Carlotta. We were blessed to see and speak with bird the day prior to his demise. We feel that the lord allowed us this blessing. I know I am most happy to have had this chance. I am honored to have been a brother, friend, and bunkie. We shared each other's joys and pains. I today am filled with sorrow, it is bittersweet, but I know now that Bird is at peace. That peace is for all who loved Bird. I send my love to all his family in this time of sorrow. Willie was a good man, who extended his concern to all others who were in need of a shoulder to cry on. "I love you man" REST IN PEACE MY BROTHER!*
