“ Yaharre was in my class this past school year for a short time. He made a major impression on my heart as he was soooooo very kind and sweet. His hairstyles always were a conversation piece for he and I. Daily he would pass me in the hallway with an amazing smile and disposition of a scholar. I am praying for your family and the entire community as we have seen too many gone too soon!!

“ I had the pleasure of meeting Ya'Harre this year. He was such a sweet young man, very mannerable and respectful. I am saddened by the lost of this young man. He was such a happy child. He has a smile that would truly melt your heart and I will miss seeing his smiling face as he stopped by my room to speak each and every morning and afternoon.
