“ I was recently notified by Cousin Carla that Yolanda had passed. So, to the Family, I send my most heartfelt and sincere condolences. Yolanda's passing extends deeper than you will ever know. Growing up in Pontiac, I recall my Junior High and High School days, of growing up with Ernie and Larry Lewis, Yolanda and Terry. Of hanging out on Crawford Street with Terry and the Marshall brothers who lived next door to them. And all the time that Terry and I spent playing basketball on the asphalt Court of Rotary Park at the end of Wesson Street. During all that time I did not know that Yolanda was my sister and Terry my brother. Yes, we share the same bloodline through Harold Pilgrim Jr. (Aka Plug). At the time of my birth Harold Jr was 18 yrs old and Williema (mother) 14 yrs of age. I was given up for adoption and grew up in Pontiac in close proximity to Yolanda and Terry, not knowing they were my brother and sister until much later.

When Terry passed I gave great thought to coming to my brother's funeral, but reluctantly considered the timing and circumstance. After Terry's passing I made several attempts to reconnect with Yolanda, unsuccessfully. And now all I have of her are all those early memories. There is still time, for family to reconnect. My love to all of you.

I was very sad and sorry to hear about Yolanda's passing. She worked with me for many years at General Motors. She was a supervisor in many different areas at Pontiac Metal Fab. She had a bright personality and a beautiful smile. Even when she had bad days at work she always found a way to power through. She was easy to work with and always worked hard to support and uplift the employees that reported to her. Yolanda possessed such a bright spirit. When I would run into her at the office I always knew she would tell me something funny and positive. She really had a wonderful soul. My sincere condolences to her daughters, grandchildren and all who loved her. Patricia Mack-Matthews MA LPC CEAP CCM

“ Yolanda became one of my most the regular clients, then loyal and supportive friend then faithful prayer partner I've had in a long time. She was fun loving and generous. She was the sweetest, kindest, dearest woman. I would often say to her {when I'd be complaining about my life and she'd be telling me to look at the silver lining in the the darkest of clouds} "Yolanda, I bet you could say something nice about the devil." She'd answer back, " Yep, he's patient!" She's been missed. My thoughts and prayers are with her family in their time of grief as God Almighty cares and comforts them through their healing cycles.
